

# Call for Papers

Papers are invited from prospective authors on the topics including, but not limited to the following:

Control Theory and Applications, Intelligent Autonomous Systems, Computational Intelligence, Architectures for Intelligence control, Networked Control Systems, Automotive Control Systems, Industrial Process Control and Automation, Manufacturing Systems Control, Control of Constrained Systems, Power System Operation and Control, Control of Electric Drives, Soft Computing techniques, Robotics, Aerospace Applications, Wireless Communications, RF Engineering, Power Electronics, Instrumentation and Control, Signal Processing, Bio Informatics, Opto-electronics, VLSI and Embedded Systems, Biomedical Engineering, Reliability Engineering, Network Systems and Protocols, Computing Paradigms ( Cluster, Cloud, Grid ), Advanced Algorithms, Multimedia and Image Processing, Data and Knowledge Engineering, Data Mining and Information Retrieval, Security and Privacy, Semantic Modelling, Web Technology, Intelligent and Cognitive Systems.

Papers submitted to the conference should be based on original, previously unpublished results, experimental or theoretical and must not be under consideration for publication elsewhere.

## Paper Submission

Papers should be prepared in IEEE format (A4) for conference. The length of the paper should be 4-6 pages. Authors may download the A4 template from the IEEE Website.

Paper submission and review are managed by EDAS Conference management System. To submit a paper login through the EDAS website. The web links for the paper template and EDAS login are available in the conference website [iccc2015.cet.ac.in](http://iccc2015.cet.ac.in)

## Publication

All papers accepted and presented at the conference after the due process will be published through **IEEE Xplore®**  
Digital Library

## Registration

All accepted papers must be registered to ensure that the paper is included in the conference proceedings and published through **IEEE Xplore®**  
Digital Library. Only registered authors are allowed to present their papers. Registration fee covers conference kit, conference proceedings, coffee breaks, working lunch and banquet dinner.

## Tutorials

There will be pre-conference tutorials on current topics in all the three streams - Control, Communication & Computing - on 18-11-2015. Details of topics and speakers will be announced soon. Please visit the conference website ([iccc2015.cet.ac.in](http://iccc2015.cet.ac.in)) for updates.

## Fees

Registration Fee for Indian Delegates (All rates in INR)

Registration Fee	Professionals		Students	
	IEEE Members	Non-Members	IEEE Members	Non-Members
Conference Only	5500	7000	3000	4000
Tutorial Only	1500	2000	750	1000
Conference + Tutorial	6500	8500	3250	4500

Registration Fee for International Delegates (All rates in USD)

Registration Fee	Professionals		Students	
	IEEE Members	Non-Members	IEEE Members	Non-Members
Conference Only	140	170	80	100
Tutorial Only	40	50	20	30
Conference + Tutorial	160	210	80	110

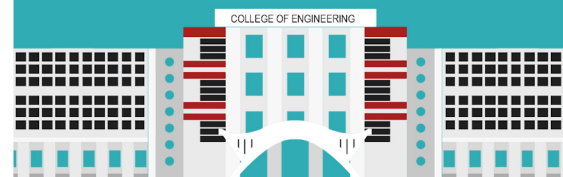

## Important Dates

Last date of submission of full paper	: Jun 15 2015
Author notification	: Sep 1 2015
Camera ready submission	: Sep 30 2015
Pre-conference Tutorials	: Nov 10 2015
Conference	: Nov 19 - 21 2015

## 3<sup>RD</sup> INTERNATIONAL CONFERENCE ON CONTROL, COMMUNICATION AND COMPUTING

# About the Organisers

College of Engineering Trivandrum (CET) was established in 1939 as the first Engineering College in the state of Kerala. The Institute was started as a constituent college of Travancore University. With the establishment of the Directorate of Technical Education in the late fifties, the college administration came under the control of the Government of Kerala. The college spread out in an 80 acre campus is located 12 km from the city centre and 10 km from the Thiruvananthapuram International Airport.

The College is the most sought after engineering college by engineering degree aspirants in the state. There are eight fullfledged departments offering 7 undergraduate and 21 post graduate programmes under the University of Kerala. The college has around 3500 students, 285 faculty members and 290 non-teaching staff. The Institute with its strong research base and extensive infrastructural facilities, offers PhD. Programmes in a wide range of areas in engineering and is recognized as QIP (Quality Improvement Programme) centre for research leading to PhD.

The college has collaboration with many leading institutions including Vikram Sarabhai Space Centre, Thiruvananthapuram and C-DAC Thiruvananthapuram. MOUs have been signed with twenty institutions for joint research work and faculty/ research scholar sharing. The centre for Engineering Research and Development (CERD), Government of Kerala extends necessary support to the college.

The ICCCT2015 is being organised by three departments of the college: Department of Electrical Engineering, Department of Electronics & Communication Engineering and Department of Computer Science & Engineering.

## the Conference

The International Conference on Control, Communication and Computing (ICCC 2015) is to bring researchers, practicing engineers, faculty and students to a common platform to share their research work, solution to various research problems and technical knowledge to enhance the opportunities in the areas of focus. There has been rapid development in technology related to these areas during the past few years and has resulted in change in techniques adopted in various applications. The scope for further development always exists and the conference would provide the opportunity to discuss the state of the art and to explore the avenues for future work.

The conference will be held at College of Engineering Trivandrum in parallel sessions. A technical exhibition and tutorial sessions are also envisaged along the conference.

## Steering Committee

Dr. Kuncheria P. Isaac, Vice Chancellor, Kerala Technological University  
Prof. Chem Nayar, Curtin University of Technology, Western Australia

Dr. Xiaoming Yang, University of Oxford

Dr. Jayakrishnan R, University of Oxford

Dr. Christian Berger, Vachon, Lyon University, France

Prof. Peitro Burrascano, University of Perugia, Italy

Dr. Prahlad Vadakkepat, National University of Singapore

Dr. Lorenzo Bruzzone, University of Trento, Italy

Dr. Ned Mohan, University of Minnesota, USA

Dr. L. Umanand, IISc Bangalore, India

Dr. Subhasis Chaudhuri, IIT Bombay, India

Dr. Rajkumar S. Pant, IIT Bombay, India

Dr. S. N. Omkar, IISc Bangalore, India

Dr. Mini S. Thomas, IEEE, Delhi Section

Dr. Prakash Chandran, Siemens

## Advisory Committee

Dr. Achuthsankar S. Nair  
Head, Dept. of Computational Biology & Bioinformatics, University of Kerala

Mr. Ramani B.  
Executive Director, C-DAC, Trivandrum

Dr. Rajasree M. S.  
Director, IITMK, Trivandrum

Dr. S. Sukesh Kumar  
Principal(Rtd), GEC Palakkad

Dr. K. C. Raveendranath  
Principal, LBSIT VV, Trivandrum

Mr. K. M. Dhareesan Unnithan  
Director, Energy Management Centre, Kerala

Ms. Grace Mathew  
Deputy General Manager, Power Grid Corporation of India

Mr. Unni Sankar  
Chairman, IEEE Kerala Section

Dr. S. Shabu  
Dean P. G. Studies, CET

Dr. Vrinda V. Nair  
Dean U. G. Studies, CET

## Organising Committee

Patron  
Dr. K. Vijaya Kumar  
Director of Technical Education, Govt. of Kerala

General Chair  
Dr. G. Madhavan Nair  
Former Chairman, ISRO

Organising Chair  
Principal  
College of Engineering Trivandrum

Organising Secretary  
Prof. Waheeda Beevi M.  
Professor, Electrical Engineering, CET

Technical Programme Committee Chair  
Dr. P. Greejaya  
Professor, Electrical Engineering, CET

Technical Programme Committee Co-Chairs  
Prof. T. Rajeev, Associate Professor, EEE, CET  
Dr. Ajayan KR, Associate Professor, ECE, CET  
Prof. Liji P.L., Associate Professor, CSE, CET

Publication Chair  
Dr. Ciza Thomas, Professor, ECE, CET

Finance Chair  
Prof. S. Bindu, Associate Professor, EEE, CET

Publicity & Website Chair  
Dr. Abdul Nizar, Professor, CSE, CET

Tutorial & Keynote Chair  
Dr. G. R. Bindu, Associate Professor, EEE, CET

Technical Expo Chair  
Dr. M. R. Baiju, Professor, ECE, CET

IEEE Liaison  
Dr. V. Suresh Babu, Professor, ECE, CET
